

Resolution 17-028

Action to Purchase off another Governmental Agency Bid

The City of Brookings Street Department requests action to purchase a new Tandem Axle Truck off of the City of Sioux Falls, SD bid, as well as a stainless steel dump body off the Clay County bid.

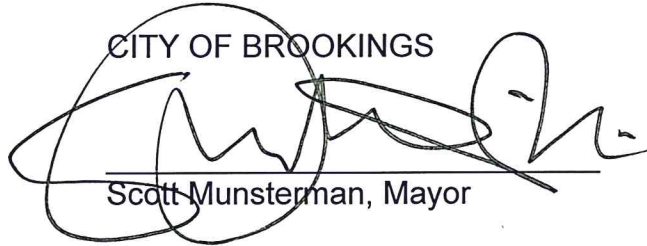

The City of Sioux Falls Contract #15-0020 for a tandem axle truck bid was awarded in 2015 to I-State for \$106,479.00. In December of 2016 the City of Sioux Falls exercised an option to extend Contract #15-0020 with a 3 percent price escalation for the 2017 calendar year. This brings the 2017 purchase price to \$109,673.00 for the Brookings Street Department.

Clay County Highway Department awarded Sanitation Products a contract for a stainless steel dump body, with options, in May 2016 to a total price of \$73,824.00. The City of Brookings Street Department's 2017 pricing, with options, is for a total of \$62,356.00.

This tandem axle truck and stainless steel dump body will replace a 1997 GMC tandem axle truck and dump body.

Passed and approved this 28th day of February, 2017.

CITY OF BROOKINGS

Scott Munsterman, Mayor

ATTEST:

Shari Thornes, City Clerk
