

Resolution 17-090

**A Resolution in support for a State Transportation Alternatives Program (TAP)
Grant Request for a Bicycle Infrastructure Project**

Whereas, the City of Brookings supports projects and activities that encourage walking and bicycling; and

Whereas, the City of Brookings is desirous in providing safe alternative transportation options for walking and bicycling; and

Whereas, the State of South Dakota has grant funds available through the Transportation Alternatives grant program; and

Whereas, the City of Brookings will commit the necessary funds toward the local match, and will exceed match requirements by pledging 25%; and

Whereas, the City of Brookings is the sponsoring applicant for the LeFevre Drive Allyn Frerichs Trail Connection Project; and

Whereas, the City is capable of administering the LeFevre Drive Allyn Frerichs Trail Connection Project; and

Whereas, the City is prepared to maintain the new improvements upon completion.

Now, Therefore, Be It Resolved that the City Council of the City of Brookings supports the described application for the LeFevre Drive Allyn Frerichs Trail Connection Project.

Passed and approved this 26th day of September, 2017.

CITY OF BROOKINGS

Keith W. Corbett, Mayor

Shari Thornes
Shari Thornes, City Clerk
