RECREATIONAL ACTIVITIES PHILOSOPHY STATEMENT

The recreational programming goals of the Brookings Parks, Recreation & Forestry Department include:

• To provide enjoyable recreational activities which enhance the quality of life for participants and volunteer leaders.
• To provide recreational opportunities, both competitive and non-competitive, for persons of all ages at a reasonable expense.

In order for these goals to be met it is expected that leaders (volunteers and paid staff) do the following things:

• Give positive reinforcement to each participant.
• Provide educational feedback in a calm manner.
• Attempt to include every participant in every activity.
• Adopted by the Board April 6, 1992.

The First Tee of South Dakota improves the lives of young people by providing educational programs and learning environments that build character, instill life enhancing values, and promote healthy choices through the game of golf. The First Tee Life Skills experience enables participants to learn valuable lessons about the importance of maintaining a positive attitude; how to make decisions by thinking about the possible consequences and how to define and set goals from the golf course to everyday life.

Participants learn about themselves and others through a range of experiences enhancing their golf skills as well as their fundamental values for life. As their opportunities on the golf course expand, so do the opportunities for their futures. All participants receive yardage books & bag tags so their progress can be observed as they advance within The First Tee certification levels of PLAYer, Par, Birdie, Eagle and Ace. At each certification level, participants are introduced to new golf skills and life skills. Life skills include: Meet & Greet, Character Development, Conflict Resolution, Dreams, Goals, building a Go-to team, and Appreciating Diversity. The First Tee provides tremendous opportunities for young people to achieve success both in golf and in life.

More information will be available to parents prior to the first class and you can learn more about The First Tee Life Skills experience at www.thefirsttee.org, OR www.thefirstteesouth-dakota.org OR the Brookings Chapter website: www.facebook.com/FirstTeeBrookings

**BENEFITS**

- 9 – 1 hour 15 minute sessions of values based, curriculum driven golf instruction
- $1 range ball tokens throughout the year (max. 2 per day per participant)
- Free membership to the Edgebrook short course
- No young person will be turned away from The First Tee programs because of an inability to pay.

PLAYer Level helps establish the foundation for young people to become life-long PLAYers of the game. By creating opportunities for new PLAYers to get on the golf course, the participants are exposed to the game and how it is played; have more fun learning skills of the game; are provided with opportunities for appreciating the game; and as a result, develop and play their game. PLAYer 2 will take place at the same time as the PLAYer sessions, but will be separate and focused on refined skill development and certification for progression to PAR.

All new participants must start in PLAYer.

Par Level focuses on advanced golf skills and focuses on interpersonal and self-management skills on and off the course. Only PLAYers who have completed certification and progression to Par can register for PAR.

Birdie Level emphasizes setting goals and making them a reality. Only Par graduates can register for Birdie.

Registration deadline for all: Thursday, May 21st at 5:00 p.m.

EARLY BIRD PRICE: $99.00 + tax • Ends Thursday, May 7th at 11:00 p.m. • FEE: $120.00 + tax

HILLCREST TENNIS COURTS
Our philosophy is designed to bring kids into the game by utilizing specialized equipment, shorter court dimensions and modified scoring all tailored to age and size. Our goal is to make sure the kids are rallying, playing and most of all having fun.

It is recommended that kids bring their own racquet (please refer to the racquet sizing chart provided), but a limited number of racquets will be available. Please note that tennis lessons are broken down into two (2) parts. The instruction part is held Monday–Thursday and the league is held Friday mornings as indicated. Class size is limited to 16 per class. No weather makeups.

FRIDAY YOUTH TENNIS LEAGUE
Friday Youth League is INCLUDED in registration for all athletes enrolled in Junior Tennis.

Play each Friday from June 5 – July 24 (No League during the week of July 4) 10:00 a.m. – 11:30 a.m. at Hillcrest Tennis Courts.

SAFETY TOWN

Safety Town is an early childhood safety education program designed to introduce all types of safety conditions to four, five, and six-year-old children. During a ten-day course, children learn safety behavior through their own involvement. They do this by role-playing in simulated and actual life situations (under the guidance of a teacher and a police officer). Safety-songs, poems, art projects, stories, movies, and a bus trip, combined with actual practice, make this program a fun, learning experience that children eagerly look forward to attending!

Sponsored by: National Safety Town Center in cooperation with the Brookings Police Department.

CHILDREN MUST BE 4 YEARS OLD BY DECEMBER 31, 2019 IN ORDER TO ATTEND.
